### LOUISVILLE ENTRIES.

RACE TRACK, LOUISVILLE, Ky., of the rival boats was on hand and when the St. Louis crew nosed out almost 30 yards in advance of the Laplanders there was a screech of whistless that sounded like the finish of a Pough-keepsie event.

The race grew out of a healthy rivalry between the crews of the two steamers, who have been engaging in lifeboat while drills during the boats respective time in port. The challenge was pased and then the money began to be put up. The lowiest water tender on each ship dug into his sock to wager his last sovereign on the contest.

The crews were drawn from the stewards of each ship, and they wore their white uniforms when they took their seats in the boats this after.

# The Donchian Retail Stock of Oriental Rugs

Is Now on Sale at Wanamaker's Ten loads of the huge 2-ton automobile vans which we us:

in our delivery were not enough to carry all these rugs to the Some we could not get ready in time-and these are adder

to the sale tomorrow. Hundreds of visitors came a day ahead yesterday-to look over the stock as it was being marked with the new prices

They all took good naturedly our refusal to allow advance selection—and said they would be back today. And they came! together with hundreds of others. Before the rich treasures of this sale are exhausted rug lovers will have to make many return visits, for the stock so large-\$250,000 worth-and so varied, covering all ranges of sizes and weaves-that it cannot be examined at one time.

Yet it will be wise to take the rug you like as soon as you see it, for Oriental rugs of this character are never duplicated. An occasion of this kind is never duplicated. There are not two Donchian Brothers' stocks. There can never be a stock just like this offered, as this is, at a third to a half less Fourth Gallery, New Building.

Unusual conditions make these offerings possible. The unrest and Unusual conditions make these offerings possible. The unrest and disturbances among New England mills (reported nearly every day in the public press) resulted in cancellation for and accumulations of shirt fabrics when not delivered on time to shirt makers.

Thus finding available these three lots of woven madras and percale, we were able to turn them quickly into shirts that we can offer at the very beginning of the Autumn season at the remarkable prices quoted above—\$1.10, \$1.35 and \$1.65 for shirts that regularly cost \$1.50 to \$3.50.

The fabrics are exerctionally cost the waven madras analysis almost

The fabrics are exceptionally good—the woven madras ranking almost equal to the foreign, the percale being of a yery close weave, up to 100 counts to the inch. The patterns are fresh and new—both light and dark, with plenty of black and whites.
